Abstracts, Titles and, of Papers 119
ADAMS, CYRUS C., Memoir of William Churchill 117
Agricultural and Forest Production in the United States, The Increasing Importance of the Physical Condition in Determining the Utilization of the Land for, O. E. Baker 17
ANDERSON, ESTHER S., Population Changes in Nebraska since 1880 119
Armenian Frontier, The, Lawrence Martin 129
ATWOOD, WALLACE W., The Development of Productive Scholarship Among American Geographers 119

BABER, ZONIA, The Distribution of Sunlight and Moonlight on the Earth 120
BAKER, O. E., The Increasing Importance of the Physical Conditions in Determining the Utilization of Land for Agricultural and Forest Production in the United States 17
BAUER, LOUIS A., The Status of the General Magnetic Survey of the Earth .. 120
BENGSTON, N. A., Notes on the Geography of Honduras 121
Bering's Two Expeditions to Determine the Relation of Asia to America, W. L. G. Joerg 126
BROOKS, CHARLES F., Cold Surf with Off Shore Winds 121
BROWN, ROBERT M., Census Maps of the United States, With Some Suggestions for Improvement for Use in Geography 122

Census Maps of the United States, With Some Suggestions for Improvement for Use in Geography, Robert M. Brown 122
Chile: A Land Where Immigrants Need Not Apply, Mark Jefferson 126
CHURCHILL, WILLIAM, Memoir of, Cyrus C. Adams 117
Climate of Southeastern Idaho, The, George Rogers Mansfield 75
Climatology, Experimental Animal, V. E. Shelford 132
Coastal Regions, A Significant Contrast Between the Atlantic and Pacific, W. H. Hobbs 124
Cold Surf With Off Shore Winds, Charles F. Brooks 121
COWLES, HENRY C., Ecology and Geographic Boundaries 122
COX, HENRY J., Rise in Temperature on Mountain Summits Earlier than on Valley Floors 122
Cuba, Geography and Man in, R. H. Whitbeck 135
CUSHING, SUMNER WEBSTER, Memoir of, Ellsworth Huntington 109

DAVIS, D. H., Significant Geographic Problems of the Outwash Plains of Southern Michigan 122
DAVIS, WILLIAM MORRIS, Memoir of Frederic Putnam Gullier 112
——, Intermont Basins 123
Distribution of Sunlight and Moonlight on the Earth, The, Zonia Baber 120
DODGE, RICHARD E., Geographic Factors in Dairy Farming in Southern New England 123

Page

Earth Movements, Stream and Ocean Terraces in Relation to Recent, R. S. Holway 125
Ecology and Geographic Boundaries, Henry C. Cowles..... 122
Economics, Geography as Regional, Carl O. Sauer..... 130
Expedition to Urĭan Haĭ, An, J. J. Sederholm..... 131
Experimental Animal Climatology, V. E. Shelford..... 132

Fassig, Oliver L., Progress in the Organization of a Climatological Service of the West Indies..... 124
——, The Trade Winds and Anti-Trades of Porto Rico..... 124
Finch, V. C., The Significance of Vegetable Oils in the Economic Development of the Tropics..... 124
Finland as an Independent Republic, J. J. Sederholm..... 131
Fisheries of Asiatic Russia, Geographical Regions of the, S. J. Novakovsky.. 130
Forest Production in the United States, The Increasing Importance of the Physical Conditions in Determining the Utilization of Land for Agricultural and, O. E. Baker..... 17
Frostic, F. W., A Geographic Study of the Saginaw Valley as an Area of Gentle Relief 124

Geographers, The Development of Productive Scholarship among American, Wallace W. Atwood..... 119
Geographic Basis of the Political Problems of the Pacific, Herbert E. Gregory 119
Geographic Boundaries, Ecology and, Henry C. Cowles..... 122
Geographic Factors in Dairy Farming in Southern New England, Richard E. Dodge 123
Geographic Factors in the Ancient Mediterranean Grain Trade, Ellen Churchill Semple 47
Geographic Influences in Marketing, Guy C. Smith..... 132
Geographic Problems of the Outwash Plains of Southern Michigan, Significant, D. H. Davis..... 122
Geographic Study of the Saginaw Valley as an Area of Gentle Relief, A, F. W. Frostic..... 124
Geographical Regions of the Fisheries of Asiatic Russia, S. J. Novakovsky.. 130
Geography and Man in Cuba, R. H. Whitbeck..... 135
Geography and Man at Panama, R. H. Whitbeck..... 136
Geography as Regional Economics, Carl O. Sauer..... 130
Geography in Museums of Zoology, Alexander G. Ruthven..... 130
Geography of Honduras, Notes on the, N. A. Bengston..... 121
Geography of Part of Southern Idaho, The, George R. Mansfield..... 128
Geography of South Dakota, Some Aspects of the, Stephen S. Visher..... 134
Gregory, Hebert E., Geographic Basis of the Political Problems of the Pacific 119
Gulliver, Frederic Putnam, Memoir of, William Morris Davis..... 112

Hobbs, W. H., A Significant Contrast Between the Atlantic and Pacific Coastal Regions 124
——, Memoir of Robert Edwin Peary..... 93
Holway, R. S., Stream and Ocean Terraces in Relation to Recent Earth Movements 125
Honduras, Notes on the Geography of, N. A. Bengston..... 121
Huntington, Ellsworth, Memoir of Sumner Webster Cushing..... 109

Page

Idaho, The Climate of Southeastern, George Rogers Mansfield..... 75
——, The Geography of Part of Southeastern, George Rogers Mansfield..... 128
Increasing Importance of the Physical Conditions in Determining the Utilization of Land for Agricultural and Forest Production in the United States, The, O. E. Baker..... 17
Intermont Basins, W. M. Davis..... 123

JEFFERSON, MARK, Chile: A Land Where Immigrants Need Not Apply..... 126

Land Classification, The Problem of, Carl O. Sauer..... 3
LOBECK, A. K., Physiography and Man in Porto Rico..... 127

MACDOUGALL, D. T., The Relation of Plants to New Habitats..... 127
MCMURRY, K. C., Nashville and the Central Basin of Tennessee..... 129
Magnetic Survey of the Earth, The Status of the General, Louis A. Bauer.. 120
MANSFIELD, GEORGE ROGERS, The Climate of Southeastern Idaho..... 75
——, The Geography of Part of Southeastern Idaho..... 128
MARTIN, LAWRENCE, The Armenian Frontier..... 129
Mediterranean Grain Trade, Geographic Factors in the Ancient, Ellen Churchill Semple..... 47
Memoir of William Churchill, Cyrus C. Adams..... 117
Memoir of Sumner Webster Cushing, Ellsworth Huntington..... 109
Memoir of Frederic Putnam Gulliver, William Morris Davis..... 112
Memoir of Robert Edwin Peary, William Hebert Hobbs..... 93
Michigan, Significant Geographic Problems of Southern, D. H. Davis..... 122
Moonlight on the Earth, The Distribution of Sunlight and, Zonia Baber.... 120

Nashville and the Central Basin of Tennessee, K. C. McMurry..... 129
Nebraska, Population Changes in, Since 1880, Esther L. Anderson..... 119
New England, Geographic Factors in Dairy Farming in Southern, Richard E. Dodge..... 123
Notes on the Geography of Honduras, N. A. Bengston..... 121

Panama, Geography and Man at, R. H. Whitbeck..... 136
Peary, Memoir of Robert Edwin, William Herbert Hobbs..... 93
Physiography and Man in Porto Rico, A. K. Lobeck..... 127
Plants to New Habitats, The Relation of, D. T. MacDougall..... 127
Population Changes in Nebraska Since 1880, Esther S. Anderson..... 119
Porto Rico, Physiography and Man in, A. K. Lobeck..... 127
——, The Trade Winds and Anti-Trades of, Oliver L. Fassig..... 124
Problem of Land Classification, The, Carl O. Sauer..... 3

Rainfall Maps of Latin America, Excepting the West Indies, Eugene Van Cleef 134
Relation of Plants to New Habitats, The, D. T. MacDougall..... 127
Rise in Temperature on Mountain Summits Earlier Than on Valley Floors, Henry J. Cox..... 122
RUTHVEN, ALEXANDER G., Geography in Museums of Zoology..... 130

SAUER, CARL O., Geography as Regional Economics..... 130
——, The Problem of Land Classification..... 3
SEDERHOLM, J. J., Finland as an Independent Republic..... 131
——, An Expedition to Urĭan Haĭ, An..... 131
Semple, Ellen Churchill, Geographic Factors in the Ancient Mediterranean Grain Trade..... 47

Significant Geographic Problems of the Outwash Plains of Southern Michigan, D. H. Davis 122
Significant Contrast Between the Atlantic and Pacific Coastal Regions, A, W. H. Hobbs 124
Stream and Ocean Terraces in Relation to Recent Earth Movements, R. S. Holway 125
SHELFORD, V. E., Experimental Animal Climatology 132
SHREVE, FORREST, Vertical Gradients of Evaporation and Soil Moisture in Desert and Coastal Mountains 132
Significance of Vegetable Oils in the Economic Development of the Tropics, The, V. C. Finch 124
SMITH, GUY C., Geographic Influences in Marketing 132
Some Aspects of the Geography of South Dakota, Stephen S. Visher 134
Sunlight and Moonlight on the Earth, The Distribution of, Zonia Baber 120
Surf with Off Shore Winds, Cold, Charles F. Brooks 121
Status of the General Magnetic Survey of the Earth, The, Louis A. Bauer 120

Temperature on Mountain Summits Earlier than on Valley Floors, Rise in, Henry J. Cox 122
Terraces in Relation to Recent Earth Movements, Stream and Ocean, R. S. Holway 125
Titles and Abstracts of Papers 119
Tropics, The Significance of Vegetable Oils in the Economic Development of the, V. C. Finch 124
Trade Winds and Anti-Trades of Porto Rico, The, Oliver L. Fassig 124

United States, The Increasing Importance of the Physical Conditions in Determining the Utilization of Land for Agricultural and Forest Production in the, O. E. Baker 17

VAN CLEEF, EUGENE, Rainfall Maps of Latin America, Excepting the West Indies 134
——, The World's Markets—A Map Based on Natural Regions 134
Vertical Gradients of Evaporation and Soil Moisture in Desert and Coastal Mountains, Forrest Shreve 132
VISHER, STEPHEN S., Some Aspects of the Geography of South Dakota 134

West Indies, Progress in the Organization of a Climatological Service of the, Oliver L. Fassig 124
World's Markets, The, Eugene Van Cleef 134
WHITBECK, R. H., Geography and Man in Cuba 135
——, Geography and Man at Panama 136
